REPORT OF SCHOOL BOARD.

To the Citizens of Bow:

We have the pleasure of submitting to you our report for the past year.

Thirty-six weeks of school have been maintained in all districts. We have four certified teachers, and the others are doing excellent work.

With our money raised for repairs, it was thought best to put as much as was needed in one district. This was done at the Bog. New paper, paint, and a hard-wood floor has made it one of the best schoolrooms in town. A few repairs were made in other districts. Hitching-posts were set in a few school yards; there might be others.

The attendance for the year has been very good, only a few families, as usual, were visited by the truant officer.

In accordance with the vaccination law, all children of school age were vaccinated or excused by their physician. Quite a few went to the public vaccination at the town hall, October 16.

In July, a drama was given at the town hall by Ariel P. Hyde and his pupils of the Wood Hill school, the proceeds were used to purchase a picture for the school-room, a steel engraving, "The Defenders of the Union."

A farce was given in August by Philip Wilson and friends. The money thus obtained was used to purchase wall maps for the above-named school.

The following amounts will be required for the coming year:

For text-books and supplies,	\$125.00
High school tuition,	600.00
Repairs,	100.00

Flags and appurtenances,	\$40.00
Salaries of school board,	80.00
Truant officer,	15.00
Treasurer,	10.00
Moderator,	1.00
Auditor,	1.00
Clerk,	2.00

Respectfully submitted,

SUSIE H. COLBY,

ADA A. MORGAN,

THE BAKER FREE LIBRARY.

To the Inhabitants of the Town of Bow:

The Baker Free Library was dedicated and the deed of the property delivered to the town on October 29, 1914. There was included with the library nearly all of the books of the library of Gen. Henry M. Baker. To these there has been added over 250 volumes by the trustees. The books in the library now cover a considerable field, and in addition there may be had at the library the current issues of a considerable number of the more popular magazines and periodicals. The library is open upon Wednesday and Saturday of each week, from two to five in the afternoon. We invite your careful consideration of the library. If the library is generally used by the community, we are confident that it will prove itself of great value. The trustees hope to establish branch libraries early this year. The special fund of \$10,000 created by the town of Bow for the maintenance of the library has been invested in two real estate loans of excellent quality.

A copy of the treasurer's report is submitted herewith.
